DAREDEVIL RIDERS

For sports fans who like their sport hot off the griddle, Jimmy Lynch and his carnival of death dodgers are just the dish. They are celebrating Safety Week at the New York Fair with a bang up demonstration of how not to drive. For the fire test the slow motion camera catches every detail of the crack up. Now Buddy Toomy, the original car steeplechaser in his leap for life. That's worth seeing again, slow up there Buddy and show the folks how easily it's done and what a wonderful idea for dodging traffic. Well, well, well, safe, sound and still in one piece!
