**AJAX WINS AGAIN.**

Melbourne Racing fans crowd to see undisputed Australian Champion AJAX open a new season. Winner three times in succession, he has already netted thirty five thousand pounds.

They're racing! Five leap from the barrier and rapidly one hits the front, it's AURIE'S STAR. But swiftly AJAX heads him off. EL GOLEA and AURIE'S STAR both recent winners, pound along at the Champions heels. But AJAX is running a confident race. As he swings into the Straight, Jockey Badger give AJAX his head. Watch the big chestnut stride away. Yet another amazing finishing run by the Prince of Race Horses.

EL GOLEA makes a gallant effort, but you can't hold greased lightning. AJAX flies home - What a horse. But with a name like that he couldn't help wigning. Its another smashing victory to add to an already illustrious record. While he trots back for his reward - (a handful of hay) his owners collect the thick end of a thousand pounds. Who'd be a horse?!
