FIGHTER STATION'S 600TH VICTIM

Pilots at a Fighter Station, somewhere in Britain, subscribed to a Pool to be won by the man who brought down the station's six-hundredth enemy plane!

We join the Squadron Leader in congratulating Pilot Officer Stevens D.F.C., and Flight Lieutenant Munge-Parke D.F.C. and bar, who share the sweepstake.

With guns to the left of him and guns to the right of him, into the foreland of Dungeness crashed the six hundredth.
