BANKOK DEMONSTRATION.

War fever spreads to tiny Thailand which most of us still know as Siam.
This miniature State (with a ^{total} population only twice that of London)
suddenly demanded a slice of French Indo-China, and staged a martial
demonstration to tell the world about it! Girls join the youth
parade as the Siamese make Whoopee. Their rulers are not so sure of
the wisdom of waging war.

Prayerfully belligerent, they vow loyalty at Thailand's Shrine.
Loyalty which may be sorely tried if frontier incidents develop into
war between the two countries.
