A ROCKEFELLER JOINS UP

Winthrop Rockefeller the tallest, one of the five sons of John D. joins the army, and his new buddies are certainly pleased to meet him. They're all volunteers together and that's all that matters. Private Winthrop Rockefeller records that he's 28, stands 6 feet 2, and weighs 215 lbs. Fingerprints now, and the hair to millions leaves an impression of a hand that could sign a cheque for a couple of warships. But for the moment he's just a dollar a day Private, No. 32002576. He's sworn in to serve Uncle Sam for a year, so good luck Rookie Rocky!
