

ALBANIA.....

RELIGIOUS CEREMONY MARRIED BY DUCE'S BOMBERS

Every year at this time the people of Korytsa observe the simple and picturesque ceremony known as "Blessing the Waters", but this year it was different. Mussolini sent his bombers over on the very day set aside for the religious rite. They smashed the Cathedral and the adjoining homes of the people; further proof of how low stoeps the man who has led his country to ruin.

The conquering Greeks quickly set to and helped the stricken people, whose only fault was that they were deceived by Il Duce and his gang. The people of Korytsa are carrying on. They too"can take it"
