**AUSTRALIAN AIR FORCE GROWS.**

Pride of a nation's manhood. Another contingent of the Royal Australian Air Force is off to Canada, for final training before they meet the common enemy.. and what a grand send-off! All these men are units in the vast Empire Air Scheme, a mighty armada that will help to rid the world, once and for all, of the threatened curse of Nazi domination.

They go in the knowledge that their cause is the cause of Freedom and Justice. Good luck fellers,
