

BOWLING 'EM OVER.

The 1941 American Women's Skittles Championship is under way at Chicago - and when I say 'under way' - - well, I mean ter say!

Oh, hot shot Momma!

All the Competitors are in good form -nalthough some are in better shape than others.

Good luck Ma! There's at least one fan 'rooting' for you!

Ma's practice at chucking saucepans at Dad was good training. At least that's what Dad thinks as he mourns the crease in his pants - -

The ladies of Chicago can certainly knock 'em over!
