**FREE FRENCH ADMIRAL TAKES SALUTE.**

A short camera study of Vice-Admiral Muselier (seen here in the centre) with some of his men of the Free French Navy.

These "Matelots" belong to the Warships which are fighting under the leadership of their cheerful Commander in Chief alongside our own. Admiral Muselier takes the salute as a Colour Party marches past, carrying the Free French Flag bearing the Cross of Lorraine.

These are men who will never become slaves to the defilers of their beloved country.
