

PERSONALITIES IN THE MIDDLE EAST.

In Cairo famous Britishers meet to discuss the War in the Middle East. Among those present are General Sir John Dill, Air Chief Marshal Sir Arthur Longmore, Mr. Anthony Eden, our Foreign Secretary, (Now back in England) General Sir Archibald Wavell, General Officer Commanding-in-Chief Middle East and last, but by no means least, Admiral Sir Andrew Cunningham, Commander-in-Chief Mediterranean Fleet.

These are the men who will pilot us to victory in the Middle East.
