LONDON FIREMEN TO TOUR AMERICA.

District Officer Ival and Auxiliary Firemen Haybrook and Palmer are to tour North America to tell how London fights the blitz. Mr. Charles Latham, Leader of the L.S.C. bids them God-Speed.

The fame of the London Fire Brigade has spread far and wide. South Africa has recognised this by sending a thousand pounds as donation to the Firemen's Benevolent Fund. Mrs. Waterson, wife of the High Commissioner for South Africa makes the presentation. A grand gesture much appreciated by a great force.
