SALE OF "AJAX"

Wonder horse Ajax a lightning of a thoroughbred and the greatest stake winner since Parfax, goes under the auctioneer's hammer. In a brilliant career he won 36 races and over £40,000. in stake money. Unexpectedly, bidding was not spirited, a great horse of whom a price of 15,000 guineas was confidently predicted. Going, going, and for only 6,500 guineas. Soon we will be cheering on his sons, may they be as good as dad!
