

GERMANS BOMB DUBLIN

The Germans respect nothing! Latest evidence of this is their bombing of NEUTRAL Eire. Nazi planes dropped their loads of death over a wide area of Dublin, killing and injuring more than a hundred people.

This is not the first Nazi Air Raid on Eire. There were three such "incidents" in January, but not so serious.

The Eire Government has protested to Berlin against the wanton attack on their professed neutrality, but unfortunately, protests will not bring back the dead, or heal the wounds of the injured. Maybe this is the price Eire has to pay for "sitting on the Fence".
