### CUP FINAL REPLAY

Preston North End take the field for their Cup Final replay against Arsenal at Blackburn after their 1-1 draw at Wembley. Both teams have made a change, with Preston fielding Mansly in place of Scott at left half, and Arsenal replacing Leslie Compton with Drake at centre forward. In the first half Preston do most of the attacking, and their good teamwork keeps the ball well out of danger, except for the Arsenal. The red shirt goal has one narrow escape and goalie Marks is like a cat on hot bricks defending his pitch. A grand custodian is Marks and there he goes again. Up to half time there's nothing doin'. Then following a slam from Joy, Dalimore puts one into his own net putting Arsenal one up. A few moments later Preston even up. There goes the second for Preston making the score Preston 2 - Arsenal 1. The winners receive a warm handshake and a Gold Cup from Mr. Clark President of the Football League, and here's Captain Tom Smith holding it. Hard luck Arsenal but you've tried even harder. So the cup comes home to Preston so Arsenal finish with only ten men. The score might well have been two nil.
