TANKS... ANDMORE TANKS.

Some people are buying TANKS as others buy SPITFIRES.

the workers at an Ordnance Factory actually presented the cash -
for one, to Mr. Law of the War Office.

Another great gift was that of ten-thousand-pounds from Mr. Garfield
Weston towards the "Speed the Tanks" Fund. Members of his family
attend the ceremony, when "The Tank to launch a thousand Tanks" is
handed over... Say 'thank you' to Daddy, Miss Weston!

Like Major-General Crawford we'll say "thanks for Tanks" every time.
