

HOUSEWIVES LEARN TO SHOOT

Talking of rolling pins, here's a class of Connecticut housewives learning how to use Tommy guns for Home Defence.

For novices, they handle the deadly Thomsons with confidence. IT's not their only aim in life, but it's a pretty useful one just now. Just imagine its the old man and it's Friday night. You brute, you! So you'd hit a defenceless woman, would you . I'll learn you!
