

MR. CHURCHILL RECEIVES FIVE FRENCH BOYS!

Five French Boys who escaped from France in a canoe and landed at Eastbourne after 30 hours in the Channel, are the guests of Mr. & Mrs. Churchill in the garden of No. 10 Downing Street. To celebrate the occasion, a bottle of champagne is opened, and the Prime Minister gives the toast - "Vive La France". These brave young lads made a bold escape from the Brittany Coast in order to come to England to join the Free French Forces. Their courage has been rewarded - they're one hundred per cent De Gaulle men now.
