REALISM IN TRAINING

- 1, V.S. Men of the Royal Berkshire's on their training grounds receive near-real training in combat. Some men fire at advancing tanks from trenches and the tanks go over the trenches as the men duck down. Would-be German soldiers advance and make out to be shot and some hand to hand fighting is encountered. Thunderflashes go off all around and some of the soldiers really look ~~as if~~ <sup>as if</sup> they were. Trip wires stop German D.R.'s and small ~~dark~~ <sup>dark</sup> vehicles. 151
