ALL AMERICA MASS

The Shrine of the Virgin of Guadalupe in Mexico is the scene of a great event in American religious history. For the first time high Catholic prelates of the United States and twenty other American republic, meet together in solemn mass. Symbol of the spiritual union and goodwill among the nations of the Western Hemisphere. Officiating is Archbishop Cantwell of Los Angeles. Mexican officers take part in the celebrations. The flags of twenty-one nations fly side by side around the Shrine, a happy omen for future concord.
