

PATHE GAZETTE: 41/88. (DUBLIN)

PERFECT MAN

At San Francisco they have found a tribe of strong, silent and almost perfect men so give them a hand girls. None of the old oak chest about this one. Bulging biceps may appeal to some of the fans but they don't seem to impress an up tilted nose and an open mouth. The finalists, Samson and Adonises are rolled into one and the winner, the perfect man.
