POLO

On Meadowbrook's famous polo field, the champions are defending their title against Gulf Stream and there goes Boswick's hard hitting number two. Babe gets a good hit but skipper Mike Tripps collides with Eddy Jones. Some of the ponies by the way are Hawaiian bred and fleet ~~has~~ the wind. Tripps jockies for position and breaks through for a hit that scores for Gulf Stream. The game soon warms up to a score of five each and every chukka is keener than the last. Now Gulf Stream forges ahead and the champs are beaten 10 & 6. Mrs. Tommy Hitchcock froths the bubbly with the winners, it's just an old polo custom.
