R.A.F. IN SOUTH AFRICA.

At one of the largest seaport towns in the Union there's a big parade ~~mf~~ by members of the Royal Air Force. This is a Grand opportunity for us to see some of the hundreds of men in Air Force blue, ~~whb~~ are receiving instructions under the Empire Air Training Scheme in SOUTH AFRICA. Extending as far as the eye can reach, the long line swings down the streets.

~~Klomanax~~ Fiances, husbands, brothers and sons from the British Isles are warmly welcomed into the hearts and homes of the people of South Africa. If a relation of yours is over there - he's lucky.
