

NEWS FROM MALAYA.

An American consolidated LIBERATOR Bomber brings to Singapore four members of the Averill Harriman Mission to Moscow, on their way back to the United States from the Kremlin discussions. An echo from the Momentous conference, when the great triology of nations forged the bar to beat Germany - THE B.A.R. made up of Britain, America and Russia. Inscribed on the machine are dozens of pencilled messages of goodwill gathered at all the different places the machine visited.

Singapore looks larger now than at any time in the worlds turbulent history. British and Imperial Forces are at their war Stations. The Federated Malay States Defence Forces have been called up under a proclamation that a State of Emergency exists. The Japs are everlastingly blowing hot and cold but this time the lid may blow off.

Oh well, if there's going to be a row, let's start off with a really good bust up.
