BENNEL - McLAUGHTON FIGHT

White Hart Stadium, Rocky Bennell meets Ron McLaughton. These two welterweights are as friendly as candidates at election time. McLaughton uses two handed batteries to body and head and Rocky Bennell in white trunks sends that brilliant left thrust, it's a real scrap. Referee Pearson who has cautioned Bennell for hitting McLaughton on the back of the head, disqualified Bennell and crowns McLaughton. Bennell hits the referee, batters McLaughton. He hits everybody. McLaughton hits back, it's next door to a riot. These welterweight man-eating tigers plan what they are going to do next time they meet. What a fight!
