"POST EARLY" TRAILER

Christmas 1941 with blackout, reduced staff, railways carrying troops and ammunition of war, yet Aunt Charlotte's Christmas greetings will arrive on time if you do your bit. December the 20th is the last day for posting Christmas cards and letters, and December the 18th for packets and parcels. Please, don't accumulate your post until zero hour. We are fair to you, we have given you the latest dates, so be fair to the G.P.O. and don't be the cause of a postal avalanche at the last minute. Post now for Christmas and save transport for the war effort.
