PRESIDENT ROOSEVELT ADDRESSES CONGRESS.

All in our nation have been cheered by Mr.Churchill's visit. We have been deeply stirred by his great message to us and we unite in wishing him a safe return tohis home.

Our war programme for the coming year will cost 56 Billion Dollars. First to increase our production rate of airplanes so rapidly that in this year 1942 we shall produce 60,000 planes. ~~Second~~ Second, to increase our production rate of Tanks, so rapidly that this year 1942 we shall produce 45,000 Tanks.

These figures and similar figures for a multitude of other implements of war will give Japanese and the Nazis a little idea of just what they accomplished by the attack on Pearl Harbour.

Many people ask when will this war end. There's only one answer, to that. It will end just as soon as we make it end by our combined efforts, ~~through~~ our continual strength, our combined determination to fight through and work through until the end ~~the~~ the end of Militarism in German and Italy and Japan.
