ALLIED GREETINGS TO RUSSIA.

Onto the stage of the Central Hall, Westminster walks M. Maisky at a "Greetings to the Soviet" gathering, at which detachments of the Allied Forces led by Great Britain present their National emblems.

The Indian Empire... The United States of America...
The Republic of China... Czechoslovakia... Free France....
Holland.

The impressive display is a fitting subject on which to introduce an exclusive talk by our ex-Ambassador to Moscow... Sir Stafford Cripps.
