WASTE PAPER TRAILER *

Newspapers and magazines, cartons and wrapping paper, public files and ~~receipts~~ receipts, paper bags and cardboard, letters, packets, music, books. Paper is made from wood pulp, wood pulp comes from overseas. It means shipping space we can't afford, and merchant ships and seamen's lives. Save that paper, save that scrap. Paper scrap makes many things, things we need to win the war, anti-aircraft shell containers, carriers for bombs and shells, washers for mortar bombs, smoke bombs and verry lights. Boxes for cartridges, aero engine dust covers, out-out targets, gun fuses, plugs for shells. Made from paper, made from scrap. Save that paper, save that scrap. Mobilize your scrap.

1, V.S. Dust cart collecting waste paper and the paper being bundled. 30

2, V.S. The bundles are loaded onto barges and move off down river. 10

3, V.S. Showing the process of turning the paper back into pulp and then making large rolls of paper. 18

4, V.S. Showing some of the end products including shell cases, cartridge holders etc. 24
