THINK BEFORE YOU WRITE-AUSTRALIA

Ind. Post Office
1-3.
Wens. British
Empire Note
24 pgs -
Australia 1

- 1, C.U. Women writing a letter to her husband overseas. 10
- 2, V.S. The mail, packets and letters being sorted for the forces. 96
- 3, V.S. In large room the censors sit and vet every letter for chance of information or secrets leaking out of the country. They cut lines out of personal letters and an example is given on how code messages ~~xxxxxx~~ don't even get past the censor's eyes. 160
