MRS. ROOSEVELT'S ADOPTED CHILDREN.

Janina Dybowska of Poland, Kerman Gerale from Spain and little Tommy Maloney of East London. This portrait comes to life as the three adopted children meet Mrs. Roosevelt their foster mother for the first time.

17 year old Janina put on her Polish Costume for the occasion; Kerman presented the portrait to Mrs. Roosevelt, and young Tommy being a little shy stored it all up in his mind to think about in bed.
