

MUSSO SCRAPED.

A "Wopping" great hunk of scrap comes into the Washington Junk Yard. The bronze bust of Mussolini comes from an Italian liner captured at Balboa. A cod funeral procession for old Cod Face.

Move over, ~~Mussolini~~ Musso, you're going for a ride.

And this is not what the beauty parlours calla "face lift".

But this scrap-yard salen "does things" to the ugliest mug. The Japs call it "Lesing face".

Now you look really handsome Musso. So long, "Skinny"
