MEN OF TIMOR

1, C.U. Map of the island of Timor off the North Coast of Australia. 10
 2, V.S. In the ~~near~~ forests of Timor a unit of Australian soldiers at their little encampment. They are a group of men who has secretly harrassed Japans war effort in the area. They live among the natives and ~~eat~~ sit by fire eating crocodile and wild boar meat. 37
 3, V.S. A patrol out in the forest. 35
 4, V.S. With ^{their} primitive home-made radio they try to make contact ~~the~~ Darwin. 45
 5, V.S. At the listening ~~post~~ on Darwin the first message from Timor is received, they were all believed to have been killed. 45
 6, V.S. Letters and supplies which ~~was~~ sent to the men after their position was established. Some Australian money also among the supplies is given out to the natives to show gratitude ^{for help} given to the soldiers. 56
 7, V.S. Another patrol out and this time some action against the Japs. Meanwhile the natives go into action against other native villages who have sided with the Japs, they burn huts and brandish ~~spears~~ spears in a kind of native civil war. 76
 8, V.S. More general shots of the soldiers with their leader Captain Jeff Laidlaw. 45
