

TITLE. STEPPING IT OUT.

Picture.: Eight London Policemen set out on the two-miles
beat for this coveted championship of the Force.

P.C. Holland gains the lead and maintains it - despite
a strong challenge from P.C. Caffery.

They are moving so fast one might almost think they had
heard a police whistle !

In the sixth lap Caffery snatches a short lead on Holland
and the latter puts up a great struggle to get it back.

No ! dear people they're not hurrying because they're
going off duty - certainly not !

Finally Holland gets back his lead to come in an easy
winner by twenty five yards. He thus becomes two-mile
champion of the Force.
