-!-!-!

MAIN TITLE.:- UNIVERSAL TALKING NEWS etc.

OPEN WITH FANFARE OF TRUMPETS.

COMMENTATOR.:- Hullo everybody ! This is the Universal Talking News reporter screen-casting the latest news.

TITLE.:- AFTER "THAT LITTLE OLD MUG".

Picture.:- This is to be Sir Thomas Lipton's fifth attempt to win the America Cup for England. When Shamrock the Fifth left for America thousands of people turned out to cheer her on her way.

Sir Thomas is rather more confident on this occasion than previously - but even now he does not threaten to "smash his way to victory in no time", as has been done by other sportsmen in another sphere of sport.

I'm sure you'll all join with me in hoping that Sir Thomas will realize his life's ambition and bring back that "little old mug" to England !

TITLE.:- AIR RACE FOR FEATHERED FLIERS.

Picture.:- They were released simultaneously with the departure of the "Flying Scotsman" from London - and one of the birds actually reached Newcastle only an hour and a half after the express

They appear to have as little interest in Parliament as many of us, for they hasten to leave it behind !
