MAIN TITLE.:- UNIVERSAL TALKING NEWS etc.

OPEN WITH FANFARE OF TRUMPETS.

COMMENTATOR.:- Hullo everybody ! This is the Universal Talking News reporter screen-casting the latest news.

TITLE.:- A MEMORIAL FOR EVERMORE.

Picture.:- By this final blasting is revealed what is probably one of the biggest memorials in the world. It represents the head of George Washington and is intended as a permanent monument to the historic foundation of the United States.

Here you get a better idea of its size - this fellow is standing on the nose ! He's got some faith in the makers of the rope which holds him !

A fine memorial set in the heart of South Dakota's black hills.

TITLE.:- PRINCE GEORGE AT PAPWORTH.

Picture.:- Members of our Royal Family take great interest in the work of fighting tuberculosis.

Here, we see His Royal Highness, Prince George opening the new workshop at the first settlement for those suffering from the dread disease.

The Prince makes a tour of the new shop escorted by Doctor Varrier-Jones, the founder of the settlement and is very much interested in all that he sees.

And as he leaves, he congratulates the proud founder on the success of the settlement.

Nearly every member of the Royal Family has now visited Papworth.
