(1).

TITLE.:-TIDWORTH TATTOO.

Picture.:-The massed bands of eleven Infantry Battalions march across the arena to open the show which the Southern Command annually presents to raise funds for service and civilian charities.

Soldiers become actors for the time being -- these are the Scots Greys.

While these are men of the Dorsetshire Regiment -- Motor Despatch riders do a little jumping on their bikes --

And some of the army's best horsemen play follow-my-leader over a series of jumps.

No doubt Tommy Atkins welcomes this show as a relief from regular routine.

(2).

TITLE.:- WORLD'S CHAMPION LADY DIVER.

Picture.:- This young lady is going to show you some of the world's best diving.

A somersault dive is, of course, quite a simple matter -- to Miss Riggen !

Try it when you're going on your holidays by the sea !

From the spring board -- a back dive, and then this graceful girl shows us another similar dive, but with a twist in it, this time.

By the way, Miss Riggen won the world's championship in nineteen twenty -- when she was only thirteen years old.

Watch this one ! -- and notice how little splash she makes -- the test of the perfect dive.

She's a cheery individual, is Aileen -- and consequently very popular in Southport.
