TITLE.:- BEAUTY QUEEN OF THE UNIVERSE.

Picture :- Figures don't lie -- nor does the camera --

There's no need in the case of Miss New York --

Or when it comes to Turkish Delight --

Or beauties like this from Roumania.

Here are the finalists -- a petite mamselle from France --

A Berlin beauty representing Germany --

A Miss who'll never go hungry -- from Hungary --

Then comes Miss Russia -- looking very good to me --

A Miss who'll never come amiss - Miss Turkey --

And Miss Roumania.

Here's Miss United States, otherwise Dorothy Goff, getting
the coveted crown -- she is now "Beauty Queen of the Universe"
