TITLE.:-GRASMERE SPORTS.

Picture.:- Sturdy men of the Fells gather in the great arena which is set in the beautiful Westmorland valley of Grasmere.

Lord Lonsdale's party included Her Royal Highness, Princess Mary -- King George of Greece and Lord Harewood.

The Guides Race is, of course, the "Big" event of the meeting.

They're off on a mile-and-a-half race which includes a climb to the top of Castle Rock -- nine hundred feet up.

As they leave the arena they are faced by a course which at some points, rises before them, at an angle of sixty degrees.

As always, the last hundred yards of the climb are the worst.

On the run down they have to tackle a wall -- bringing them in sight of "Home".

This is J. James of Hincaster -- first to reach the tape held by Lord Lonsdale who congratulates him on his win.

His time was fourteen minutes twenty-five seconds.

TITLE.FIGHT TO A FINISH TEST.

Picture.:- Yes thirty thousand cricket enthusiasts packed the Oval in anticipation of some thrills -- and they got them.

Here are the Australians taking the field -- and the crowd warmly applauds Sutcliffe and Wyatt as they go to the wicket.

Wall's first ball gives Wyatt a single; here it is seen from afar.

Here you see Grimmett bowling to Wyatt who scores a single

The great crowd went wild at this "high spot" of the game-- a splendid cut by Sutcliffe through Hornibrook's legs for two -- no, by jove! -- it's a three! Well done!

Sutcliffe adds two more to his already fine score. Here's a long shot -- from nearly three hundred yards away.

Another brilliant "two" by Sutcliffe brings from the crowd cries of "Good old Sutcliffe".

Here are sections of the vast crowd -- all with "score" throats.
