TITLE.:- PHYSICAL JERKS.

Picture.: Hastings doesn't only rely upon its sea-air and sunshine to benefit its little visitors. Community drill classes are organised --

And considering that the youngsters drift in and out as they arrive or leave the town, they do very well.

Perhaps next Summer -- if any -- the old 'uns will be doing something similar.

Team jumping -- over the rope -- first in pairs.

Now in fours -- how these youngsters enjoy it.

Then eights -- this helps them to make friends -- quite a good idea.

Then as a welcome rest comes sun bathing en masse -- and at the sound of the whistle -- (WHISTLE)

--over they go -- to bake the other side (WHISTLE)

Another blast sends them back to their parents -- ready for tea !
