

(6). TITLE.:- KNIGHTS OF THE BOW AND ARROW.

Picture.:- Archery dates right back to the middle ages, but it has many devotees in Britain and abroad. These men who are "pulling the long bow" are Dutchmen who, in celebrating the hundredth anniversary of their society, welcome --

Mr. Notenboom the best bow-and-arrow shot in the Netherlands. Here he shows just how it should be done.

It's a true "Bull", too !

The best that can be said of this trier is that he has a clean record -- too clean, he thinks.

(7). TITLE.:- NOVEL SAND SPORT.

Picture.:- These Aussies know how to get the best out of life in open air.

This is their very latest seashore sport.

Oo ! I bet he felt that !

They say it's good for the liver ! I'd be a dealer if sand hit me like this. But they enjoy it. Watch this -- ooh ! and no complaint from "Little Mary".

This chap starts well but baby ends his career.

Mud-larks -- I beg pardon -- Sand-larks.
