TITLE.:- WELL DONE BETTY.

Picture.:- With all our championships going to U.S.A. it is all the more pleasing that our brilliant young tennis player, Miss Betty Nuthall, should win the American Tennis Championship by her splendid victory, at Forest Hills, over --

Mrs Lawrence Harper of California.

This is the first time in the forty-three year's history of the championship that the title has been wrested from America -- and our very own "Betty" did it.

The score was 6-1, 6-4 -- Five thousand people cheered the new champion, and not one begrudged her her victory, for Betty gained great popularity with the public throughout the tournament.

Here she is receiving the Cup from Mr. Schuyler Van Bloem. Later she also won the doubles in partnership with Miss Palfrey. Well done, Betty !
