COMMENTATOR.:- Hallo everybody ! This is the Universal Talking News reporter screen-casting the latest news.

(1).

TITLE.:- QUO VADIS ?

Picture.:- It's alright ! The cameraman is quite safe. He's well outside the cage, filming through the bars.

A very good judge too ! Captain Schneider seems to like the company of these denizens of the jungle.

It's a case of every man to his own choice.

He puts one of his friends through its paces for the amusement of the big audience seen at the back --

--while this lady looks on disdainfully.

A fur collar -- new style. He's welcome to it. Give me good old Harris tweed.

I'll wager the Captain's insurance premiums are high -- even though his charges are sometimes quite playful.

The cubs make fine pets -- for the other fellow ! Personally I wouldn't buy them with bad money.
