TITLE. GOLF MIRACLE.

Picture.:- He's a wonder, is Bobby Jones. His victory over --

--Gene Hosen at Ardmore gives him the major titles --

--of both Britain and the United States. This record may well survive through the ages, for it's little short of a modern miracle -- and these don't often happen !

This particular putt by Bobby doesn't find the hole but --  
--the enormous gallery of 18,000 feel it in their bones that their --

--idol won't disappoint them. What's one hole when it's Bobby that's playing ?

Never has so big a crowd assembled on a golf course to watch a man club his way to fame.

Even the Golf Wizard himself suffered a little from stage fright !

The decider -- Down it goes, giving victory to Bobby Jones by 8 up and 7 to play.

A popular win, if ever there was one. For it means that golf history is made. Bobby gets his fourth first class title --

--and his unteenth cup. What does he do with them all, I wonder ?
