MAIN TITLE.:- UNIVERSAL TALKING NEWS etc.

OPEN WITH FANFARE OF TRUMPETS.

COMMENTATOR.:- Hallo everybody ! This is the Universal Talking News reporter screen-casting the latest news.

(1).

TITLE. :- FIRE DAMP.

Picture.:- The first test -- BANG ! Then experts get to work to test the whys and the wherefores of the experimental explosion.

The second test -- CRASH ! This tells them the force of the explosion.

Now they apply an electric spark --

--direct to coal dust.

UP it goes ! Clearly showing what not to do in or near coal mines. A lesson of some force.
