TITLE.:- AUSTRALIAN GIRLS BEATEN.

Picture.:- These braw lassies are the Scottish eleven out to give a good game to --

--the visitors, fine strapping girls from far-away Australia.

The Scots have it all their own way in the first half, "making rings round" the Aussies.

It's a spirited game, but the Scottish girls lead two-nil at half time.

They increase their advantage in the second half keeping the "goalie" busy.

Here's another -- GOAL! That gives the Scots the game four-one !
