(6). TITLE:- DUKE'S BONFIRE.

Picture.:- There's a "hot" time in the old town to-night. For it's the Duke of Marlborough's birthday. Many happy returns to His Grace !

Hundreds of Oxford undergrads join in the jollifications, and beer and bonfire rule the night.

They let themselves go and nothing holds them. It's a night for fun, and fun they mean to have. There'll be some heavy heads in the morning !

The 40-foot bonfire is in the grounds of Blenheim Palace. There are twenty tons of wood in it, --

--not to mention gallons of oil and petrol. Potatoes baked at the blaze are --

--distributed amongst the crowd. Yes, it's a hot night -- but oh, the heads on the "morning after the night before !"
