(5). TITLE.:- SONS OF EMPIRE.

Picture.:- The first desire of these distinguished Colonials is to pay a visit to Scotland's National War Memorial --

--at Edinburgh Castle. They lay wreaths of poppies at the Shrine, paying homage to those brave Scotsmen who made the great sacrifice for the British Empire.

Their visit is to be crowned by the honour of having conferred upon them the Freedom of the ancient --

--City of Edinburgh. So they leave the beautiful Shrine for the Usher Hall for the ceremony.

After being duly honoured by the city; the distinguished statesmen, --

--Messrs Bennett, Scullin and Forbes, also had conferred upon them the degree of Doctor --

--of Laws of Edinburgh University. They are men of whom the Empire might well be proud.
