

(2). TITLE.:- LUXURY YACHT.

Picture.:- While some of us are busy collecting cigarette coupons to get, --

--perhaps, a toy boat for a youngster, this big yacht, much like a small --

--liner is launched at Kiel.

She's a big toy; one of the biggest, for she's a 3,500-tonner.

Much too big for most of us, who can only run to a baby car.

She's been built specially for Mr. W. K. Vanderbilt , the --

--American millionaire. The Alva is a good looking vessel and is expected to be --

--a very speedy craft. I wonder how many green coupons (I mean the kind issued --

--by the Bank of England) she's worth.
