

(3). TITLE.:- NEW STUDENTS UNION.

Picture.:- Headed by the mace, the academic procession, including the Lord Rector, Mr. Baldwin, passes from the old Union --

--to the palatial £70.000 block of buildings which constitute the Union of the University. It's a nasty foggy day, but the program --

--is carried out according to plan. Having arrived at the new Union, Mr. Baldwin receives the key, and opens the splendid new building. It is --

--to be hoped that the future of the Union will be much brighter than the weather is to-day.
