(2). TITLE:- FRENCH MINISTRY.

Picture:- It took a long time to form the new Cabinet, but at last it was completed. These are the gentlemen --

--who were finally selected, and - oh ! they have to submit to the "ordeal by film " ! Then --

--the "Gentlemen of the Press" get to work. The new Cabinet's debut in the Chamber of Deputies was --

--stormy. May the new Premier have a quieter term of office than seems probable.
